The Conference: *A Seat at The Table*

We are excited to be providing a two day National School & Youth Conference here in Kirikiriroa / Hamilton on the 4th & 5th of October 2021. The Atrium at WINTEC in the central city is our beautiful venue for both the day events, and our evening of canapes and networking.

This conference follows on from the success of the inaugural School & Youth Nurse one day symposium held at Rototuna High School in September 2020. The Symposium was delivered by Your Health NZ in conjunction with event managers VIP Care events.

We are putting in the mahi to make our 2021 Conference even bigger and better again. We will be inviting our School Nurses, Youth workers, Practice Nurses, School Counsellors and other Pastoral care workers. We hope to welcome delegates from all over New Zealand again, and for those that cannot join us in person, an online option will be on offer.

Our theme for the conference is “A Seat at the Table.” Our vision for this is an opportunity for speakers, delegates, exhibitors, guests and sponsors to connect and collaborate to best meet the needs of our Youth. Let’s all have a seat at the table, let’s be bold enough to have the hard conversations, and to work together to create real solutions and offerings for our taiohi / youth.

We have a fabulous lineup of speakers that are set to be aspirational, educational and inspirational. You really don't want to miss this opportunity to join us at the table.

The Delegates:

In 2020 we hosted a very successful one day Symposium at Rototuna High School in Hamilton. With over 100 attendees & another 30 joining us in the virtual world, the Symposium delivered highly sought-after education & conversations for the School Nurses working with Youth in today's world.

In 2021 we hope to have 150 School Nurses join us for this Conference.

The Opportunity:

Here is your opportunity to come & promote your service, product or brand, to make real connections & develop relationships with our delegates.
